Enhancing reproductive care across the Midlands

Dear Black Country Colleagues,

We are very pleased to share that MSI Reproductive Choices has now opened a new Regional Treatment Centre (RTC) in the heart of the West Midlands, in Birmingham.

The centre is designed to enhance access to high-quality medical and surgical abortion and comprehensive reproductive healthcare across the Midlands and will be accessible to clients across Black Country ICB.

A Centre of Excellence:

Our new Regional Treatment Centre is located at:
Washington House, Starley Way, Birmingham, B37 7GN

Key Features of the Centre Include:

- State-of-the-art surgical facilities, including two dedicated treatment rooms and a specialised Foetal Anomaly Pathway.
- Eight consultation rooms offering face-to-face assessments, ultrasound scanning, STI testing, early medical abortion, and telemedicine services.
- Extended operating hours, including evenings and weekends.
- Training and development hub for future Termination of Pregnancy (TOP) specialists.

Services Available to Black Country ICB Clients:

Face-to-face medical abortion (abortion pills)
up to 9 weeks and 6 days gestation

Abortion telemedicine (pills by post)
up to 9 weeks and 6 days gestation

Surgical abortion
up to 23 weeks and 6 days gestation

STI screening, including HIV testing
(as part of our abortion services)

Post-abortion contraception services

Interpreters during face-to-face or phone appointments

Accredited counselling services
(BACP, British Association of Counselling & Psychotherapy)

Client Access:

Clients can call MSI directly on **0345 300 8090** to access abortion services.

Clients can visit our website at **www.msichoices.org.uk** to book their appointment online.

Collaborating for Choice in the Midlands:

Our new centre is a significant step in ensuring equitable access to abortion care and reproductive health services across the region. We are committed to working collaboratively with partners across primary care, sexual health and the Voluntary, Community and Social Enterprise (VCSE) sector to support clients and communities in the Midlands.

We are keen to build strong working relationships with colleagues in your ICB footprint and as part of this we would be keen to welcome you to our new Regional Treatment Centre for a visit, so we can discuss how we can enhance support for your clients.

If you're interested in the above, please feel free to reach out to me directly. I have included my contact details below and look forward to hearing from you soon.

Yours faithfully,

Angela Keane
